Dance Tuition

Tuition and dance schedule is based on a 10 month calendar year. Our regular dance session runs from September through June. All tuition prices are based on a monthly rate, tuition is not prorated; monthly tuitions will remain the same regardless of the number of weeks in a month. Tuition will not be adjusted if your student misses a class for any reason. There are **NO make-up classes**.

Attendance & Recital Preparation:

It is important to every individual dancer to attend class each week! Attendance is important so each dancer can learn and perform their dance at the highest level as well as working with the other dancers in class. Attendance is critical during the months of April, May and June so that your dancer is prepared for our recital. If for any reason your dancer is absent more than 4 days during the months of April, May and June your dancer will be expected to attend private lessons to get your dancer show ready. Private lessons cost \$50.00 per half hour.

****Absence:** When your dancer is absent for any reason you must call the studio regarding her absence.**

**** If your dancer is absent from class more than (1) a month Ms. Sarah will examine the absences and privates may be put into place at a cost to the dancer/family.****

Tuition fees & Costume deposits..

At the time of registration, a NON-REFUNDABLE registration fee of \$15.00 **per family** is due along with the first month's tuition fee for each individual student for each class taken.

All tuition payments are **due by the 15th of every month or you will be charged a late fee of \$10.00.**

Costume deposit of \$60.00 for each costume, per class is due by Oct 15th; balance of costume payment will be posted to your February invoice.

Classes start the week of September 11th ...

Class cancellation:

Costumes & Costume Apparel:

Costume Only:

Costume fees will be determined by D.E.D.

Costume companies have been raising their prices yearly but D.E.D. is determined to choose companies who produce a quality product and be cost effective. Each costume is chosen by the teacher and approved by Ms. Sarah for the recital. Size and cost exceptions are; (Child or Adult) XL, XXL, XXXL or a special made to order, the larger sizes are added material and will cost an extra \$10.00 per costume.

Pom classes will have an additional \$50.00 added in your March invoice for pom purchase.

Ms. Sarah and her staff measure every student and are directed by the costume company's specific sizing chart to help size appropriately.

D.E.D. measures each dancer and orders costumes appropriately to the dancer's measurements with added room to grow.

If you find your child's costume is too small or too large it is the responsibility of the parent to get the costume altered for the show.

Costumes are not returnable.

Headpieces, Poms, tights, shoes, props, etc., or required alterations are not included in the costume price.

A \$60.00 deposit for each costume MUST be paid by Oct, 15th or D.E.D will not order your child's costume. Final costume payment will be due in February.
